Wooded Acreage!

This is a truly unique, custom home with over 4,000 sq ft of finished living space spread across three levels, sitting on 7 wooded acres in the hills of Metamora, within the Goodrich school district. If you're looking for privacy, space, and plenty of flexibility, this property has it all.

The home could even provide an additional source of income, thanks to the completely separate updated second-floor apartment with its own private entrance.
